

EXTRAORDINARY GREENSCAPES SINCE 1992

Hamburg Pavilion

Retail / Restaurants / Business
Man O' War, Lexington, Ky
135 acres

Scope of Service:

Design, Install, Maintenance, Annual Color,
Snow Management, and Christmas Decor

Award: 2006 LFUCG Environmental Improvement

Customer Satisfaction . . .

Hamburg is the premier retail property in Lexington and requires real man power to handle its everyday care — it is 130 acres and predominantly irrigated. When Diamond came on board in 1999, the landscape was in poor shape. The results have been remarkable. Diamond oversees every aspect of design, maintenance, annual color and snow management — and they do it flawlessly. I can relax knowing we're in good hands.

David Wright, Facilities Manager
